

Notice for A Parent Talk by A Celebrity Guest Speaker

Topic: Treat Emotion Sensibly & Teach Appropriately

17th November, 2021

Dear Parents,

During the growing process of children, parents may have to bear the intricate responsibilities derived from work, family and parent-child relationship besides accompanying them to solve myriads of problems. They may find it difficult to manage every aforesaid aspect satisfactorily, hence bewilderment, helplessness and exhaustion are the results of it. Sometimes, the wholesome development of both personal emotion and parent-child relationship may be inevitably spoiled by negative emotions, thus missing the opportunities to solve the problems properly and consolidate the relationship between the two generations. This makes the road of teaching children more exhausting and winding.

In order to help parents develop a more positive emotion and improve the quality of their family education, the school will co-organize a talk 'Treat Emotion Sensibly and Teach Appropriately' with the Hong Kong Federation of Youth Groups' Parent Support Network. It is our honour to invite a famous radio host Ms To Man-Wai, Ada to be the guest speaker of the occasion. The school hereby kindly invites parents to participate in the aforementioned talk, and the details are as follow:
