**Invitation to The 2nd Hong Kong English Speaking and Performing Contest
cum English Benchmark International Collaborations 2024**

Dear Primary School Principal,

With reference to my invitation letter dated 25th August 2024, I am going to invite your students to participate in **The 2nd Hong Kong English Speaking and Performing Contest cum English Benchmark International Collaborations 2024**. EBIC, in short for English Benchmark International Collaborations, is a competition which can be joined by students from all over the world, such as Mainland China, Macau, Malaysia, Thailand, Indonesia, South Korea and other regions. Recently, our school has been told that many primary schools are still being occupied by other activities, such as the Speech Festival. In view of this, we have decided to **extend the application deadline to 24th November 2024** so that schools can have more time for better coordination of work. The categories of this contest are varied, and we believe that it is also another good platform for your students to enrich their other learning experiences outside the formal curriculum and to showcase their other talents.

As a host school for the up-coming local and the international contest, it has been decided that the contest will be held on 14th December, 2024 in our school in Hong Kong. The content of this contest is varied, including Story Telling, Singing, Sole Verse Speaking, Action Song and Spelling. Therefore, it is a competition that can not only promote English learning, but also broaden your students' horizons. In addition, it is an opportunity for them to unlock their unlimited potentials and to foster their world view and global perspective.

Details concerning the contest can be found in the Application Guide. To enter your students, please complete the Google Registration Form on our school website. Should you have any enquiries about the contest, feel free to call our English Panel Head, Ms. Yung, at 27029033 or 97843439. We are looking forward to seeing your students in our contest and wish them all the best.

Yours faithfully,

LAU Sai Chong
Principal
