**Invitation to The 2nd Hong Kong Speaking and Performing Contest cum
English Benchmark International Collaborations 2024**

Dear Primary School Principal,

I am writing this letter to invite your students to participate in The **2nd Hong Kong Speaking and Performing Contest cum English Benchmark International Collaborations 2024**. EBIC, in short for English Benchmark International Collaborations, is a competition which can be joined by students from all over the world, such as China, Macau, Malaysia, Thailand, Indonesia, South Korea and other regions. In April this year, students from Hong Kong, India, Thailand, Sri Lanka and Malaysia competed in the EBIC held in Malaysia. All the participants showcased their talents in the use of English and their language art performance.

As a host school for the up-coming local and the international contest, it has been decided that the contest will be held on 14th December, 2024 in our school in Hong Kong. The content of this contest is varied, including Story Telling, Singing, Sole Verse Speaking, Action Song and Spelling. Therefore, it is a competition that can not only promote English learning, but also broaden your students' horizons. In addition, it is an opportunity for them to unlock their unlimited potentials and to foster their world view and global perspective.

Details concerning the contest can be found in the Application Guide, which has been enclosed together with the competition materials for your reference. To enter your students, please complete the Google Registration Form on our school website. Should there be any enquiry regarding the contest, please also feel free to send emails to Ms. Yung, the Chairlady for the contest committee, at lcp-ykm@lcp.mysch.net.

We look forward to seeing your students in the contest and we wish them all the best.

Yours faithfully,

LAU Sai Chong
